## *End of Season Tuning Special*

Brings your skis or snowboards in for an end-of-the-season tune-up.

- If you're heading for west for a spring trip, get your gear ready!
- If your season on the slopes is over, let us know and we'll wax heavy without scraping it to protect the wax and edges during the off-season.
- Complimentary summer ski/snowboard storage with a tune-up.\*
